Linear Equation and System Solvers - Algebra

Question answering (QA) is a computer science discipline within the fields of information retrieval and natural language processing (NLP), which is concerned with building systems that automatically answer questions posed by humans in a natural language.

Question answering - Wikipedia

America has what is arguably the best healthcare system on the planet, and many would argue that creating a federally provided healthcare system allowing 'free' access would only corrupt that. But I doubt anyone could argue that the cost of US healthcare isn't positively overwhelming.
