Before submitting or printing an academic research paper, essay, email, memo, or any other written document, it is very important to carefully proofread it.

The Importance of Proofreading - Proofreading & Paper Editing

Consultants — even good consultants — are often considered a necessary evil by customers who use them, and it's exceptionally easy to stop using one. It doesn't require firing or confrontation, just "we don't need you any more" or even just not calling. This has happened to me several times: a sure thing with many years of history stopped on a dime when a customer's customer canceled a ...
