Answers To The Conclusion Questions

Writing a Conclusion. If you remember, a research paper starts with a broad look at the research and narrows down to the results, before the discussion opens it out again. At the beginning of the research paper, you looked at all of the previous research and boiled it down into a research question. In the discussion,...

Writing a Conclusion - Answering the Research Question

Each conclusion question type contains a passage that can be either an argument or just a collection of statements. If it's an argument then that argument will not be clearly presented and you won't be able to easily tell what the premises are and what the conclusion is.

conclusion questions - totalLSATprep

Often the conclusion itself will be provided in the argument and then merely restated as one of the answer choices. The goal of these questions is to test your ability to identify the main point of the argument. You must be able to separate the conclusion from the premises of the argument.

Questions to ask of your conclusion. Have I referred back to the title of the essay? Is my conclusion genuinely well-supported by the evidence and argument that I have presented? Is my conclusion directly relevant to the essay title? Have I identified the most important conclusion, not just an interesting side issue?

Questions to ask of your introduction and conclusion ...

The so what question is powerful. I'll warn you, though, that the so what question is often difficult to answer. Larger, what-does-it-all-mean questions often are. In fact, the modifier I hear most often applied to the so what question is "dreaded," as in The Dreaded "So What" Question. (Cue the dramatic music.)

The "So What?" Question - Writing Power

If you're stuck and feel like your conclusion isn't saying anything new or interesting, ask a friend to read it with you. Whenever you make a statement from your conclusion, ask the friend to say, "So what?" or "Why should anybody care?" Then ponder that question and answer it.

Conclusions - The Writing Center

As you hold your readers' hands, remember that you need to keep them interested and to keep providing the information that will answer the "So What" question with which they began reading. As you progress through your argument, the question should disappear because you are providing new and relevant information.
