The Song and Myth of Stagger Lee

Myth is a folklore genre consisting of narratives or stories that play a fundamental role in a society, such as foundational tales or origin myths. The main characters in myths are usually gods, demigods or supernatural humans. Stories of everyday human beings, although often of leaders of some type, are usually contained in legends, as opposed to myths.

In the First Folio, the plays of William Shakespeare were grouped into three categories: comedies, histories, and tragedies. The histories—along with those of contemporary Renaissance playwrights—help define the genre of history plays. The Shakespearean histories are biographies of English kings of the previous four centuries and include the outliers King John, Edward III and Henry VIII as ...
