Review the properties and structure of matter in Albert's AP® Chemistry with exam prep questions on how those properties interact with each other in various contexts.

AP Chemistry | Practice Questions | Albert

I took the AP Chem exam earlier today. We don't get our results until July, but I'm curious to know how I'll do. Is it possible to still get a 5 on the test if you make a lot of mistakes on 2 free responses (earn less than half the available 10 points), but nail the other 4 and do well on the multiple choice section? Obviously, no one can know for sure, but is there a reasonable chance?

AP Chemistry Exam Info? | Yahoo Answers

taking full advantage of all features presented in Peterson's Master AP Chemistry, you will become much more comfortable with the test and considerably more confident about getting a high score.
