Community Reviews. Anna is a much anticipated book 2 of the Redemption Series. The authors ability to grab hold of the reader is a true talent. Anna is romantic, suspenseful and full of the things we love about the entire Watcher Trilogy, Watcher Chronicles, Caylin's story and now the Redemption series. My expectations for this book did not disappoint...

Anna is the second installment of the Redemption series (4 books should complete this series). In Anna, the book starts just where Malcolm (see my review here) left off. While Anna is put into a situation where she must turn the remaining Princes over to Levi, we get to see a little more of the remaining Watchers, and how they have been dealing with living their lives while waiting for Anna.
