Because the Great Recession of the late 2000s was due in part to low regulation and high reliance on large banks, one of the main goals of the Dodd-Frank Act was to subject banks to more stringent regulation. The Act created the Financial Stability Oversight Council (FSOC) to address persistent issues affecting the financial industry and prevent another recession.

What is Dodd-Frank Act? - Definition from WhatIs.com

You may have many "significant others" during your lifetime, but you only have one "mom." Which is why most consumers go the extra mile on Mother's Day - America's third-largest retail holiday after the winter holidays and back-to-school season, according to the National Retail Federation.
