CCSS.ELA-Literacy.WHST.11-12.1.b Develop claim(s) and counterclaims fairly and thoroughly, supplying the most relevant data and evidence for each while pointing out the strengths and limitations of both claim(s) and counterclaims in a discipline-appropriate form that anticipates the audience's knowledge level, concerns, values, and possible biases.

### **English Language Arts Standards » Writing » Grade 11-12 ...**

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.

### **How to Write Guide: Sections of the Paper - Bates College**

The Inquiry Design Model for Tasks The Black Death exercise is an example of an inquiry-based task that uses the Inquiry Design Model (IDM) developed by some of the key authors of the C3. They describe these tasks as “bigger than a lesson, smaller than a unit”—just right for teachers who want to implement inquiry-based learning but may not feel comfortable devoting a unit to it.

### **Inquiry-Based Tasks in Social Studies | Edutopia**

Over the past few years, “scientific inquiry” has become a buzzword in many science curricula. Unfortunately, science educators find it challenging to engage students in the process of inquiry — in part because they themselves do not have a good understanding of what it is.
