In this live training session we will look at creating a multiple choice quiz game. We will create the core game loop - timer, score, win and lose states. We will also show code architecture best practices - keeping data and logic separate, and how to structure a game in a way that makes it easy to maintain and extend. We will look at some of the ways we can extend this in

"More Answer Buttons for New Cards". In contrast to rescheduling, using the added answer buttons will add a new entry to the history. Other add-ons: More answer buttons for All cards and Quick Reschedule in Reviewer do not make an entry in History table - even for New cards !!! That is a big drawback - i stopped using them regularly.
