CommonLit | Texts: answer key i have a dream | Free ...

I often hear English teachers in Taiwan say "the answer key to a test," but in the dictionary "a key" means "the printed answers to a test or to the questions in a textbook." I think the word "answer" in "answer key" is redundant, and the two-word term is simply tautological. Do you think the word "answer" before "key" is absolutely necessary?

key or answer key to the test? - UsingEnglish.com

feedback mechanism. . Organisms use many feedback mechanisms to either maintain or amplify important chemical systems. This could happen at a molecular level to coordinate the function of a single enzyme or it could happen throughout the body to regulate the organism's internal temperature.
