### **Chemistry answer key?**

I'm taking the second half of organic chemistry, and I'm having a ridiculously hard time with it. I'm pre-med and taking it because I have to, not because I enjoy it. I was a straight A student until the first organic chem. course, where I got a C. Anyway, I'm determined to do better in the second half. But I really have no idea how to successfully spend my time studying!
