Vocabulary lies at the heart of content learning. To support the development of vocabulary in the content areas, teachers need to give their students time to read widely, intentionally select words worthy of instruction, model their own word solving strategies, and provide students with opportunities to engage in collaborative conversations.

Word origins. Singlish vocabulary formally takes after British English (in terms of spelling and abbreviations), although naming conventions are in a mix of American and British ones (with American ones on the rise). For instance, local media have "sports pages" (sport in British English) and "soccer coverage" (soccer—originally slang for association football—while used in Britain, is more ...
