Vietnam has a long history of affiliating with a dominant civilization and adapting that civilization's ideas, institutions, and technology to Vietnamese purposes. This pattern of affiliating and adapting was already evident in Vietnam's historical relations with China, and it reappeared as descendants of mandarins responded to the challenge of the West by rejecting tradition and becoming ...

Zoning in the United States includes various land use laws falling under the police power rights of state governments and local governments to exercise authority over privately owned real property. The earliest zoning laws originated with the Los Angeles zoning ordinances of 1908 and the New York City Zoning resolution of 1916. Starting in the early 1920s, the United States Commerce Department ...
