A Short History of the Modern Calendar

A Short History of Modernist Painting presents a storyboard of the problems and interests of painting over many decades. Mark Tansey's interpretation of this history starts with the belief that painting is a window to, and representation of, the world, an idea long attributed to the Italian architect and theorist Leon Battista Alberti.

A Short History of the Human Rights Movement Early Political, Religious, and Philosophical Sources. The concept of human rights has existed under several names in European thought for many centuries, at least since the time of King John of England.

A Short History of the Human Rights Movement

Modern history, the modern period or the modern era, is the linear, global, historiographical approach to the time frame after post-classical history. Modern history can be further broken down into periods: The early modern period began approximately in the early 16th century; notable historical milestones included the European Renaissance, the Age of Discovery, and the Protestant Reformation.
