### **AP Biology Lab Answers? — College Confidential**

Okaaaay so, I was a bit stupid. I tried to do several labs at the last minute instead of when I was supposed to do them. Now I can't get the plant I need in time for my deadline. So. The lab is on respiration in plants. You have to put elodea in a bromothymol blue solution, and another piece in the same solution but in foil. For anyone who has done the lab, how long does it take for the color ...
