All three books in this prequel series are a great read. The price was right at \$0.99AUS per book. I

have some of the other "Legion of the Damned" novels waiting to be read, snapped up while still at that low price. The trilogy was well written with loads of action, a good story, and a happy ending.

**Andromeda's War (Legion of the Damned prequel 3) eBook ...**

I must also confess that I didn't know going into Andromeda's Fall that it was the first book in a prequel series to an already established series of titles (the Legion of the Damned books). It turns out, however, that none of that mattered – because Andromeda's Fall stands just fine on its own and, at least in this newbie's opinion ...
