Having an idea and developing that idea into a marketable, publishable book are two different things. I learned this early in the process when trying to decide what kind of book I wanted to write. That's why I'm offering up these tips that I learned along the way. I hope to save you a few headaches and a little time as you develop your idea.

5 Ways to Develop a Book Idea | Writer's Digest

With a little thought and not much effort, you can easily devise methods to prevent yourself from actually finishing a book—or finishing a book that has a chance to sell. So if not finishing or not selling are your goals, I'm here to help you with the following seven tips (also, grab this free download on how to write a novel):

How Not to Write a Novel: 7 Things That Will Doom Your Novel

If someone tells you that you've come up with a novel idea or a novel interpretation of something, it's probably a compliment: not everyone is capable of original thinking. But not everything new is terribly worthwhile; a novelty, for example, is often a cute (or maybe just silly) little object that you might put on a display shelf in your house.

Novel | Definition of Novel by Merriam-Webster

Novel definition, a fictitious prose narrative of considerable length and complexity, portraying characters and usually presenting a sequential organization of action and scenes. See more. Novel | Definition of Novel at Dictionary.com

Novel | Definition of Novel at Dictionary.com

Coming up with the right book idea can be a serious challenge regardless of how experienced you are as a writer. Whether you're a brand new writer or a seasoned author ready for a new writing project, it can be incredibly difficult to find the inspiration you need, in order to commit to an endeavor as arduous as writing a book. I'm a firm believer that the best book ideas must come from within.

43 Ways to Find the Best Book Idea for New Writers

Finding Novel Ideas In Two Steps. Like I have said, an important characteristic of novel ideas (or “big” ideas) is that they are actually composed of several single “little” ideas. The single idea of a zoo keeper as a central character, for example, isn’t enough to build a novel upon – you need to make him shy,...
