An Endless Summer was a book I was immensely looking forward to after I literally devoured Boys of Summer at the end of last year. Duggan just had that knack to capture the essence of what summers should be about; having fun, blossoming friendships, a sweet lasting romance and making it a summer you will never forget.

Directed by Bruce Brown. With Patrick O'Connell, Robert 'Wingnut' Weaver, Robert August, T.J. Barron. Bruce Brown, king of surfing documentaries, returns after nearly thirty years to trace the steps of two young surfers to top surfing spots around the world. Along the way we see many of the people and locales Bruce visited during the filming of Endless Summer (1966).

### **Oceana - Endless Summer - CJ Stone Edit Lyrics - Genius**

An Endless Summer perfectly captures that incredible time when you're no longer a child but not quite an independent adult, when having fun and dreaming of that perfect unattainable guy takes up every spare thought. I was convinced that after reading The Boys of Summer, there was no way I could love this book as much.

review 1: Another good contemporary romance read. I think I liked this book better than the first one in the series; it was just as well-written but I think I found it more fun and entertaining than the first one simply because of Amy's character.

Endless Summer is a compilation album by American rock band the Beach Boys, released on June 24, 1974. A collection of hits from the band's 1962–65 period, Endless Summer was compiled by their old label, Capitol Records, while the Beach Boys were contracted to Reprise Records. Its unexpected success bore immediate consequences for the band's then-progressive musical direction.
