Yet, this belief, that having children will improve one's marriage, is a tenacious and persistent myth among those who are young and in love. It seems obvious that adding a baby to a household is going to change its dynamics. And indeed, the arrival of children changes how couples interact.

Studies Show What Happens to Marriages After Having Kids ...

Insofar as child marriage is a social norm in practicing communities, the elimination of child marriage must come through a changing of those social norms. The mindset of the communities, and what is believed to be the proper outcome for a child bride, must be shifted to bring about a change in the prevalence of child marriage.
