### **A Small Town In Germany**

A Small Town in Germany is a 1968 espionage novel by British author John le Carré. It is set in Bonn, the "small town" of the title, against a background of concern that former Nazis were returning to positions of power in West Germany.

### **A Small Town in Germany - Wikipedia**

The 'small town' referenced in the title is Bonn, (West) Germany in the late 60's during the Cold War. It was a different world then, but maybe not so different since protests against an economic summit, issues related to NATO, and Russian spying are all in the story line.

In Bonn. . .even the flies are official." Bonn, the seat of displaced power, German democracy emasculated, an invalid carefully tended by the West and never-so-much so as in this projection that has tapped the genuine restlessness and riots of today. It is about ten days in a "recent future" before West Germany must make a stand on the Common Market; anti-this alliance is one Karfeld, who has ...

I'm still making my way through John le Carré's oeuvre in chronological order, and so far it has been a surprisingly interesting and enjoyable journey. My most recent stop, A Small Town in Germany, is no exception to this, and once again it is a much more complex affair than I would have expected -...

### **What I'm Reading: John le Carré - A Small Town in Germany ...**

"A Small Town in Germany" is an exciting, compulsively readable and brilliantly plotted novel. Le Carré has shown once more that he can write this kind of book better than anyone else around -- and he has done so without repeating himself. Mr. Boston, an English essayist and critic, is editor of New Society. Return to the Books Home Page
