A Short History of the World (H. G. Wells) It starts with its origins, goes on to explain the development of the Earth and life on Earth, reaching primitive thought and the development of humankind from the Cradle of Civilisation. The book ends with the outcome of the First World War, the Russian famine of 1921, and the League of Nations in 1922.

Robert Remini's Short History of the United States is a great story, retelling American history largely through the machinations of the executive and legislative branches (as they develop). Remini's history is quite opinionated, and it will not be difficult for the reader to discern some of his political allegiances.

A Short History of the United States by Robert V. Remini

Three key themes or tensions arise from this very short history of the Internet and the Web: 1. Centralization vs. decentralization of resources and knowledge; 2.
