Hi, I'm the high school freshman who got a 94 in the Biology Honor. I am going to take the AP Biology next year. I know that my grade is low to take an AP Biology but I'm planning to master the Campbell Biology textbook along with Barron, Cliffnotes, and 5 steps to a 5 AP Biology during the summer vacation. If I master these materials during the summer vacation, do you think I can handle the ...

I am a freshman who is having difficulty deciding between biology 1 honors or AP biology as my science class for 9th grade. Some people have advised me to take the easier one, so as to gain a bit of background knowledge on the subject. However, others say that biology honors covers only the first few lessons in AP biology. Also, there are some freshmen who have taken AP and got 5's on the ...
