Animacies Biopolitics Racial Mattering And

"Animacies is a book about 'reworldings,' as Mel Y. Chen traces the myriad ways that objects and affects move through and reshape zones of possibility for political transformation and queer resistance to neoliberal biopolitics. At the same time, Animacies itself generates such transformations: grounded in a generous, expansive understanding of ...

Duke University Press - Animacies

"Animacies offers a dizzying array of field engagements and approaches to writing. If early in the introduction Chen describes the book's novel contribution as bringing the concept of animacy in relation to "queer of color scholarship, critical animal studies, and disability theory," the text also reveals the author's engagement with performance studies, psychoanalysis, affect theory ...

Animacies: Biopolitics, Racial Mattering, and Queer Affect by Mel Y. Chen - Goodreads — Share book recommendations with your friends, join book clubs, answer trivia

In Animacies, Mel Y. Chen draws on recent debates about sexuality, race, and affect to examine how matter that is considered insensate, immobile, or deathly animates cultural lives. Toward that end, Chen investigates the blurry division between the living and the dead, or that which is beyond the human or animal. Within the field of linguistics, animacy has been described variously as a ...
