If you are applying for a role in customer service or retail, or for any other position where you have personal contact with consumers or businesses, your interviewer will be eager to find out how you would interact with customers and provide them with assistance. To that end, you can expect some—or several—questions about customer service.

Common Customer Service Interview Questions with Answers

A wicked problem is a problem that is difficult or impossible to solve because of incomplete, contradictory, and changing requirements that are often difficult to recognize. It refers to an idea or problem that can not be fixed, where there is no single solution to the problem. The use of the term "wicked" here has come to denote resistance to resolution, rather than evil.
