Blood Oath | Definition of Blood Oath by Merriam-Webster

Blood brother can refer to one of two things: a male related by birth, or two or more men not related by birth who have sworn loyalty to each other. This is in modern times usually done in a ceremony, known as a blood oath, where each person makes a small cut, usually on a finger, hand or the forearm, and then the two cuts are pressed together and bound, the idea being that each person's blood ...

Formation. Common methods of forming a minced oath are rhyme and alliteration. Thus the word bloody (which itself may be an elision of "By Our Lady"—referring to the Virgin Mary) can become blooming, or ruddy. Alliterative minced oaths such as darn for damn allow a speaker to begin to say the prohibited word and then change to a more acceptable expression.
