If you search for Numb3rs, you'll see that all of the old activities are still available. Unfortunately, the curriculum alignment for each episode seemingly disappeared into the abyss with the rest of the WAUMED site. Luckily, I had saved a copy of the Numb3rs Activities Curriculum Alignment document, which I am now sharing publicly on Google Docs. The PDF contains the episodes broken down by subject and specific topic, with direct links to the activities on TI's Activities Exchange.

I Want to Teach Forever: We STILL Use Math Every Day ...

NUMB3RS Activity Episode: "Soft Target" The goal of this activity is to give your students a short and simple snapshot into a very extensive math topic. TI and NCTM encourage you and your students to learn more about this topic using the
