This lexicon lists some of the more common elements found in the names of places and people in Tolkien's work. These are mainly derived from Elvish tongues, but some common forms from other languages, such as Old English or Adûnaic, are also included, as well as a few less recognisable words that are still found in modern English. There are very large number of these name elements, and this ...

Did You Know? In Coleridge's Rime of the Ancient Mariner, an old seaman tells of how, by shooting a friendly albatross, he had brought storms and disaster to his ship, and how as punishment his shipmates hung the great seabird around the mariner's neck and made him wear it until it rotted. The word mariner has occasionally been used to mean simply "explorer", as in the famous Mariner ...
