An Ethic of Excellence : Building a Culture of ...

The message of the first chapter of Ron Berger's book An Ethic of Excellence: Building a Culture of Craftsmanship with Students is the importance of student models. I think a lot of educators are afraid to use models because they want student ideas to be original, and they are afraid students will simply copy the models.

An Ethic of Excellence Building a Culture of Craftsmanship with Students

With an underlying vision for an ethic of excellence in my classroom, I can commit to this single change; I suspect the same impulse could work in any school and any teacher's role. Berger's book is a powerful manifesto for an original and inspiring curriculum and pedagogy, inseparable from deep rigour and a quest for perfection.
