Now, after thirteen long years, we were finally able to return to the topside to begin to rebuild. We thought we were alone. We were never more wrong. Before the fallout, scientists had worked on creating an anti-radiation vaccine (ARV).

Book Crazy: Review: ARV-3 [After Light 01] by Cameo Renae!

I love post-apocalyptic novels and, having read Cameo Renae's Hidden Wings series, I was quite excited to start ARV-3. I really liked the fact that this book is set 13 years after the nuclear fallout occurred. A quick summary was given as to how such a catastrophic event occurred which was scientific but simple to understand.

The after repair value (ARV) estimates the future value of a distressed property after it's been repaired. ARV is not a property's current value when purchased but rather the estimated value of the property once improvements are made. ARV is commonly used by fix and flip investors who purchase, renovate, and sell properties within 1 year.
