### **Find Test Answers | Find Questions and Answers to Test ...**

I don't think any professor gives a take-home test with the expectation you're going to sit down and do it with no assistance. If they wanted that, they'd just do it as a regular test. From my experience, if they do a take-home, they usually make it harder because you will have more time and more resources to do it.

### **Just got a take-home TEST... proper way to go about doing ...**

But a take-home exam tests a student's ability to look up the answers. Why does my prof want to know if I am capable of looking stuff up? A good (or even perhaps a mediocre) take-home exam does not test a student's ability to look stuff up.

### **Take-home tests: Why? - exams learning | Ask MetaFilter**

Alternately, don't use take home tests where cooperation can alter the results. It seems that the only reason to give a take home test when cooperation would be a problem is if the time to complete the test is longer than a single class period. However, there are few times when this should be the case.

### **How to prevent cheating on take-home exams - Academia ...**

no this is NOT cheating! it's a take home test and i am allowed to use whatever source i can find so i chose the yahoo answers community. besides, my science teacher didn't teach this part of the lessons in class yet but we can begin the test for the vacation. i don't understand anything in the textbook. If water content of magma is high, then A. a nonexplosive eruption is most likely.

Take-Home and Open-Book Tests. A student should prepare for an open-book or a take-home test just as he or she would prepare for any test! A take-home or open-book test is usually more difficult than a standard test because more is expected. The instructor usually grades it more strictly, also.

### **Take-Home and Open-Book Tests - TIP Sheets - Butte College**

Take Home Tests. As a result, you must include information from multiple sources that apply to the concepts you've been studying. Sources can include books, scholarly articles, and scientific studies. Final answers should show that multiple sources were used to develop conclusions.

### **Test Taking Strategies: Take Home Tests - College Atlas**

You can check your school website for a list of books and their points. There is no URL to take a test at home. It would be too easy for students to cheat by taking a test at home.

### **How do you take a reading counts test at home - answers.com**

Best Answer: I can't imagine giving a take-home test which would be a closed-book test. Monitoring that for cheating would be impossible. Therefore, I would write a test which would require thought, not just facts from the book.
