AN OFFER FROM A GENTLEMAN is the third book in Quinn's Bridgerton series, and her own version of the classic, Cinderella. I'm always interested to see new versions of classics, particularly this one (I'm a big Cinderella fan!), but I'm also hesitant. The remake of any great classic can be disastrous.

An Offer From a Gentleman is romantic escapism at its finest, yes -- but escapism laced with thought-provoking nuggets shedding light on identity, self-worth, and the respect of one another required to make a relationship work that once again elevates Quinn's storytelling from the realms of the ordinary to the extraordinary.

An Offer From A Gentleman (2001) About book: The Bridgerton saga continues to amaze me! Although I must say, I liked this one a bit less than the other books. It gets more of a 3.5 rating than 4. Benedict and Sophie's story is a Cinderella retelling, but of course it's much more than just a retelling.

"An Offer From A Gentleman" is the third novel in the Bridgerton series, and it is the best to date. "The Duke And I" was rather good, and while "The Viscount Who Love Me" (the second book in the series) was not as good as the first one, it was still a goodish read. This novel however surpassed the first two in every way.
