Around the World in Seventy-Two Days, by Nellie Bly

When this movie is made in 1956, one could circumnavigate the globe in a little less than two days. When Jules Verne wrote the story "Around the World in Eighty Days" in 1872, he predicted that one day man could accomplish the task in eighty hours, but which most considered folly to do in eighty days in current times, that is except for people like Englishman Phileas Fogg, a regimented man who ...
